

JV-INDUSTRIES, LLC.

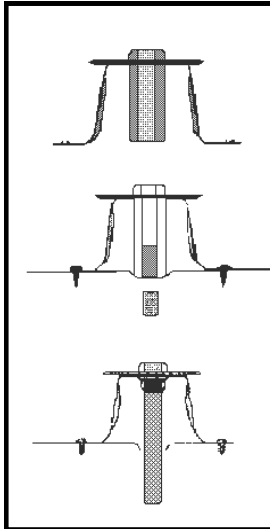

A NEW INNOVATION - Patented CONCRETE EMBEDDED ANCHORS

The **SAFEST**,
MOST INEXPENSIVE
INSERT
on the market!

The Best Insert
For The Money!
Low Cost and
LESS LABOR INTENSIVE
These Inserts are all
ZINC-PLATED Material!

Nothing to knock out, nuts to hold in place or lose at your expense. A full 3/4" of internal thread is protected with a **RED** pull tab plastic plug.
